eStore, Starkey's fast and simple online ordering system

eStore makes ordering hearing aids, earmolds, accessories, common supplies and marketing materials, fast and easy. You can access **eStore** directly from **StarkeyPro.com** using your login or through Inspire software.

With **eStore**, you can enter stock or patient-specific orders in a few simple steps:

1. View item(s) you wish to purchase using the left navigation menu or search box

Tips for success:

- Use the dynamic 'Filter Options' on the right-hand side of each product page to quickly find the hearing aid or item you desire.
- Want easier access to the products you frequently order? Use the 'Add to Favorites' function to create a list of commonly ordered products that live right on your homepage!

2. Add to cart
3. Proceed to checkout
4. Place order

Tip for success:

- Remember to place patient-specific orders and stock orders separately. Doing so increases order accuracy and efficiency for you and your patients!
